

SELLING 50 2-YEAR OLD ANGUS BULLS  
02-23-2023

# B S U A L L L E

E l s t o n  
Lone Tree Ranch

| Burchill Angus |

Sale at 1pm - Lunch at noon - located at the  
**North Dakota Winter Show Event Center**

# WELCOME

With heartfelt thanks and appreciation, we would like to invite and welcome you to our Fourth Annual bull sale, new location, at the Valley City Winter Show Event Center in Valley City, ND. We hope this finds your operations doing well as we are kicking off the first part of 2023. Once again, we feel like the consistency and quality of the offering of 2-year-old bulls keeps getting better year to year, as it should.

We are committed to using proven genetics with an emphasis on consistency in both the feedlot and the range.

We run our cattle like any commercial ranch, with the cows having to work for us. No frills, problem free cattle that have the longevity, fertility, feeding ability, and carcass traits that keep us all profitable. Our business is helping our customers succeed. With a short 45-day breeding season and continuing to feed out half our bull crop as fattened steers, helps put the selection pressure to work. This positions us to identify the animals we feel will move programs forward.

The bulls have been developed the same way as in previous years, non-creep fed and turned out on pasture as yearlings to stay sound. They returned to the ranch this fall and have continued to develop well. We care about structure and balance in what we produce.

We are extremely grateful to all our past customers and those who have shown interest in our program. We invite you all to come to town and bring your neighbors and friends on February 23rd to appraise our offering. We are serving a CAB smoked brisket dinner, so come hungry!

It is a blessing to be a part of this ranching business with so many fine people. We are excited that the cattle market has seen upwards trends this year in all segments with the challenges so many have faced. We continue to pray for wisdom, insight, and direction from our Lord for each one of you. We truly appreciate your interest in our cattle. Please feel free to contact us at any time and the cattle are always available for viewing prior to the sale.

Sincerely,  
*Wes and Michele Elston Craig and Heather Burchill*

2023

**LOCATION:****THURSDAY, FEBRUARY 23, 2023 1:00PM CENTRAL**

ND Wintershow Event Center 700 7th St SE Valley City, ND 58072

(Office) 701-845-1401 Brandee Moore, Manager (Manager Cell) 573-776-4121

**SALE DAY PHONES:**

Wes 701-490-6810

Craig 701-261-4996

**SALE RING ASSISTANCE:**

Will Bollum, Wester Ag Reporter

507-244-0833

Kelly Klein, Tri-State Livestock News

701-320-5817

Scott Ressler, ND Stockmen's Association

701-391-7310

**AUCTIONEER:**

Rowdy Benson from Morristown, SD

H-605-524-9642

C-605-569-1493

**ONLINE BIDDING:**

The sale will be broadcast live:

DVAuction.com

**LUNCH:**

Complimentary lunch provided

**INSPECTION & LOCATION:**

Bulls are available for viewing anytime prior to Tuesday, February 21st at Elston Lone Tree Ranch 6 miles north of Interstate 94. Take exit 276 off Interstate 94. Head north 6 miles then west 1 mile. Ranch north side of the road. February 22 bulls can be viewed at ND Wintershow Event Center

**SALE DAY:**

The bulls will be on display. We will be utilizing videos instead of having bulls sold in the ring.

**LIABILITY:**

All persons who come to view animals at Elston Lone Tree Ranch do so at their own risk. Elston Lone Tree Ranch assumes no liability, legal or otherwise, for accidents which may occur.

**BULL VIDEOS:**

Videos can be viewed at

elstoncattle.com and at dvauction.com

**GENETICS:**

All bulls have had the Angus GS genomic test. Bulls have been determined to be free of genetic defects.

**HEALTH:**

All bulls have passed semen evaluation performed by Dr. Greg Carlson, Southwood Veterinary Clinic in Jamestown, ND. On 11/29/2022 bulls were poured with Clean-Up II, and drenched with Valbazen.

**BASE PRICE:**

All bulls will have a minimum price of \$3000 sale day. Bidding will begin at the base price.

**VOLUME DISCOUNT:**

Volume discount as follows:

Two bulls - 2% discount

Three bulls - 3% discount

Four bulls - 4% discount

Five or more - 5% discount

**RETAINED INTEREST:**

ELTR is retaining one third revenue-sharing semen interest in every bull selling in this sale. Full possession sells on all bulls.

**TERMS & CONDITIONS:**

Terms of sale are cash. Full payment is due sale day.

**DELIVERY:**

Free up to 300 miles from Valley City within the U.S. All bulls will be delivered after the sale. Take bull(s) home day of sale receive \$50 off per bull.

**GUARANTEE:**

All bulls selling for \$3500 or more will be covered 50% by ELTR & BA if they are injured during their first breeding season. Breeding season is defined as the 60 day period following the first turnout of the bulls.

All bulls selling for \$3500 or more will be given 50% of the value of the injured bull, minus any salvage value, as credit in a future sale or toward a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. A copy of the sales receipt must be received by Elston Lone Tree Ranch to receive proper credit. All claims must be made by September 2023.

Example 1: A \$6000 bull is injured and will not heal. A credit of \$3000 minus any salvage value will be given to the buyer.

Example 2: A \$3500 bull is injured and will not heal. A credit of \$1750 minus any salvage value will be given to the buyer.

Example 3: A \$3400 bull is injured and will not heal. No credit is given. Buyer retains all salvage value.

Coalition was the high selling bull of the US ranch in Alberta, Canada. Purchased by Spickler Ranch South. His dam Erelite 1092 an outstanding Angus cow also purchased by Spickler Ranch South & M Diamond Angus Ranch of Wyoming. Coalition stamps his progeny with great structure and breed character. We chose to use Coalition after visiting Nathan and Emily Spickler's ranch in 2020. We were able to see numerous daughters in production. The consistency, udder quality, and the quiet disposition were huge factors in our decision to bring this potent breeding bull on board to our program. 14 sons are selling in this offering.

We viewed 638 at Rick and Lynnete Hansen's Ranch by Froid, Montana. They had purchased the bull from Yadon Angus, of Manhattan, MT. He was an impressive individual, length, depth of body, and muscle were attributes that stuck out as well as his perfect feet. I used him AI and was surprised how reasonable the birth weights were. 638 has proven to be a consistent sire of type and kind. 6 sons selling.

## LOTS 1-5

What a way to start a sale! 5 full brothers sired by WMR Timeless 081. Their pathfinder dam is ELTR Erica 311, who recently sold to Best Angus & Quarter Horses of Watford City. These 081 bulls have the size, length, and volume to add value to any rancher's calf crop. The consistency in this flush of bulls is backed up by their bred heifer flush mates. They have the look to make productive cows. Interested cattle people are always welcome to visit our ranch anytime to evaluate our program. Lot 1 was used to breed cows in 2022.

## LOTS 9-13 ET SONS OF ELTR ERICA 309

ET SONS OF ELTR ERICA 309

MARCYS ERICA 393

The first Coalition sons offered at ELTR & BA. We start with an awesome set of 5 full ET brothers. These guys will sire an awesome set of steers and even better heifers for the replacement pen. These easy calving, docile bulls are strong topped and square hipped. Moderate framed with rib and fleshing ability. Lots 9, 11, 13 suitable for heifers. Their dam, ELTR Erica 309, is a direct daughter of Marcys Erica 393 who is the dam of Marcys Scale Crusher. A proven power bull for Marcys Livestock and Schaff Angus Valley. ELTR Erica 309 was a sale feature at our 2022 sale, selling to Voss Angus, Iowa. Lots 10 & 12 were used to breed cows in 2022.

This Rainfall son was used to breed heifers in 2022. His dam was lost to hardware in the fall of 2021. She was full sister to the dam of Lot 7. This bull has calving ease written all over him.

PAYBACK

A BIG Thank You to, CHS.  
Through their payback program they are  
sponsoring our lunch sale day.

## Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they have recorded an average of 15 progeny, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

TRAIT	PROGENY EQUIVALENT	TRAIT	PROGENY EQUIVALENT
Calving Ease Direct	25	Pulmonary Arterial Pressure	17
Calving Ease Maternal	19	Hair Shed Score	8
Birth Weight	23	Heifer Pregnancy	17
Weaning Weight	27	Maternal Milk	35
Yearling Weight	22	Mature Weight	14
Yearling Height	15	Mature Height	9
Dry Matter Intake	11	Carcass Weight	14
Scrotal Circumference	13	Marbling Score	10
Docility	11	Ribeye Area	16
Foot Claw Set	13	Backfat Thickness	13
Foot Angle	13		

### How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen or the HD50k by partner Zoetis. These images indicate animals for which genomic testing has been conducted and incorporated by AGI into GE-EPDs

 Broadcasting Real-Time Auctions

**View the Auction Live!**  
**Bid Online... you're ringside**  
**right at your desk!**

Buying online is as easy as 1,2,3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make you purchases!

**High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 316-5460.
