WELCOME

Welcome to our 7th Annual Bull Sale at Elston Lone Tree Ranch. Our commitment to proven genetics with focus on consistency is evident in this year's bulls!

We continue to raise cattle that have the longevity, fertility, feeding ability, and carcass traits that keep everyone profitable. our goal is to make sure our customers succeed! The use of a short breeding season allows us to put our selection process to work. We sort out the best for breeding bulls and the remainder become fattened steers.

As always, our bulls are non-creep fed and turned out on pasture as yearlings. The bulls return to the ranch in the fall; they are placed on a 44 mega/cal ration. This assures they develop soundness and longevity.

Thank you to our past customers as well as those who have shown interest in our bulls and program. We invite you to our ranch on Thursday, February 19th to view this superb offering!

Come hungry!! We will be serving a CAB smoked brisket dinner starting at NOON!
Unable to attend in person, no problem, we will be using DVAuction again. You can register and receive your bidder number online; then with the sale live on February 19th.

Our cattle are available for viewing anytime prior to the sale date. Feel free to contact us anytime with questions.

We hope to see at the sale on February 19th!

Sincerely,
Wes and Michele Elston

Coalition was the high selling bull of the US ranch in Alberta, Canada. Purchased by Spickler Ranch South. His dam Erelite 1092 an outstanding Angus cow also purchased by Spickler Ranch South and M Diamond Angus Ranch of Wyoming. Coalition stamps his progeny with great structure and breed character. We chose to use Coalition after visiting Nathan and Emily Spickler's ranch in 2020. We were able to see numerous daughters in production. The consistency, udder quality, and the quiet disposition were huge factors in our decision to bring this potent breeding bull on board to our program.

In 2023, we calved Arrowwood's first progeny. The calving ease is for real with this herd sire. His sire is Tehama Tahoe B767. His dam is U2 Erelite 1092, dam of U-2 Coalition 206C. She was the \$140,000 top selling cow at the US Ranch herd dispersion in Alberta, Canada, owned by Spickler Ranch South and M Diamond Angus Ranch. Arrowwood's first calved have shown great promise with their growth through weaning.
